Once receiving the above validation error, the screenshots the user sees after clicking on either the **Forgot User Name** link or the **Forgot Password** links vary. The following screenshots are from these two scenarios:

1. **Incorrect User Name/Correct Password**

- A. Forgot Password link
- B. Forgot User Name link

2. **Incorrect Password/Correct User Name**

- A. Forgot Password link
- B. Forgot User Name link

1. **INCORRECT USER NAME / CORRECT PASSWORD**

A. **Forgot Password link:**

If the user has entered an incorrect user name and a correct password and then clicks the **Forgot Password** link, the following screenshot appears:

The screenshot shows the University of New Hampshire website's "Forgot Password" page. At the top left is the UNH logo and the text "University of New Hampshire". To the right, there is a shopping cart icon with "0 Items" and a "Login" link. Below this is a dark blue navigation bar with the text "UNH Learn for Life" and several menu items: "Programs", "Certificates", "Seminars & Conferences", "Youth Programs/Camps", "Search Programs", "Info & How To", and "Contact Us". The main heading is "Forgot Password". Below the heading is a line of text: "Please enter your user name below. Your password will be sent to the preferred email address associated with your profile." The form has a label "User Name:" with a red asterisk. The input field contains the text "demoacct". Below the input field are two buttons: "Cancel" and "CONTINUE". At the bottom of the form, there is a note: "Required fields are indicated by *".

The user then clicks the Continue button (screenshot above) **without changing the incorrect username**; the screenshot below appears. (If the user changes the User Name to the correct one, a new password is sent to the primary email address associated with the profile.)
