UNH YOUTH PROGRAM
CODE OF CONDUCT

The University of New Hampshire and its summer youth programs seek to promote an environment that allows each participant to participate fully and safely. As a result, the following code of conduct outlines general expectations of all participants. Parents and participants are responsible for reviewing and following these expectations. Thank you.

- Be respectful, use good manners, and follow instructions
- Abide by all program rules and regulations
- Inappropriate language is not acceptable. This includes but is not limited to swearing, derogatory or threatening words
- Stay in specified program areas at all times. Participants are required to remain on campus during the program unless arrangements are made in advance with the director
- Participants will travel within campus accompanied by at least one other participant or staff
- Be on time for the start and end of program activities
- Fully cooperate with any sign in/sign out and identification verification procedures
- Do not engage in any conduct that could be harmful to the safety and well-being of you, your fellow participants and/or program staff
- Immediately notify program staff of any accidents or injuries, no matter how minor
- Abide by all rules and limitations on the use of cell phones, electronic devices, social media, etc.
- No use or possession of tobacco products, drugs, or alcohol
- Respect the property of UNH and others, do not damage or misuse property or equipment
- Participants are responsible for any fees due to loss or damage to materials and facilities
- No use or possession of fireworks, firearms, knives or any other weapons
- No theft or unauthorized use or possession of the property of another
- No sexual activity
- No hazing, bullying, fighting, or threatening
- No travel or occupancy in personal vehicles without written parental permission and prior notification and approval by program director
- Follow housing rules, if applicable, including but not limited to rules regarding visitors
- Do not permit non-program participants to have access to dormitories or other facilities. Immediately notify program staff of any non-program person(s) attempting to access or present in dorms or facilities

If the guidelines above are not followed, or additional behavioral issues arise, UNH and youth program staff will determine what actions, if any, need to be taken. Any action will be determined on a case by case basis, but ultimately could result in dismissal from the program without a refund, by discretion of the Program Director and/or University administrators.
